

General Guidelines for Experiential Learning Activities

BBA Graduation Requirement from 2016/17 cohort onwards

Experiential learning is found to be an effective pedagogical approach complementing traditional classroom learning. It provides students with hands-on opportunity to apply textbook knowledge in a real world context and to explore different cultures, worldviews and life experiences.

With an aim to encourage students acquire experiential learning and get benefits from it, from 2016/17 intake onwards, BBA Students are required to complete one of the following Experiential Learning Activities before graduation:

- A. Internship (credit bearing courses/ non-credit bearing programmes)
- B. Exchange Programme (regular semester/ summer programmes/ other programmes)
- C. Service Learning Programmes
- D. Double Degree Programmes offered by the School of Business

Further elaborations of the above-mentioned activities are given on P.2-4.

Intended Learning Outcomes

To ensure students achieve learning outcomes of appropriate standard, the following is devised:

Upon completion of the experiential learning requirement, students are expected to:

- i. Understand more about business related career and develop their career interest.
- ii. Develop proper work attitude and business skills essential to be a young professional.
- iii. Exhibit enhanced knowledge and abilities resulting from work experience, study abroad and/or service-learning experience.

Ambit of Experiential Learning and Number of Hours Required

All students must complete a **minimum of 120 hours** experiential learning activities. Students must complete this requirement by the 2nd Semester of their Year 4 studies. Otherwise, their graduation may be deferred.

Important!!! Please consult BBA Programme Office in advance if you are unsure whether an activity could be recognized and be used to fulfill the requirement.

Important Note:

1. Students who intend to satisfy the requirement by any self-sourced internship must obtain prior endorsement from the course instructor, by enrolling to any of the credit-bearing courses. Otherwise, the experience will **NOT** be counted or recognized. Successful enrollment is subject to the approval of individual internship course coordinator. Please consult the course coordinator directly.

2. The BBA Programme Office will keep reviewing the internship programmes offered by different units to provide more options to students in satisfying the graduation requirement.

B. Exchange Programme (Regular Semester)

Regular Semester:

Studying abroad develops students' global perspective. BBA students can fulfill the graduation requirement by spending a semester or even a full academic year in an overseas university through the arrangement of the International Office.

For details of the Student Exchange Programme, please visit:
<https://intl.hkbu.edu.hk/student-exchange/outgoing-students>.

Summer Programmes:

Summer exchange programme is another option for students who wish to get a taste of studying abroad during the university life. To ensure students have good exposure in a foreign environment and receive quality classroom knowledge, **only summer programmes recognized by BBA Programme Office could be used to fulfill the graduation requirement.**

The list of recognized summer programme will be reviewed yearly. Please visit this page "[Outgoing Exchange](#)" for the latest information.

Important Note:

If students intend to fulfill the graduation requirement by joining an exchange programme outside the recognition list, prior endorsement must be sought from BBA Office. In general, the programme must last for at least **3 weeks**, with both academic and cultural component.

Other Programmes:

The Startup Semester Programme at UC Berkeley is organized by Knowledge Transfer Office, in collaboration with the Sutardja Center for Entrepreneurship and Technology (“SCET”) of University of California, Berkeley (“Cal”). The programme offers students a one-semester overseas learning experience at UCB. For details of the programme, please visit: <http://kto.hkbu.edu.hk/startupsemester>.

C. Service Learning Programmes

Service Learning Programme: Embodying both the School’s mission and the University’s Whole Person Education philosophy, we have developed a series of innovative course-embedded Service Learning Projects (“SLP”) through which students can help non-profit organisations and contribute to the greater good of society.
