1. General Information

1.1 Minor Programme Title

Minor Programme in Finance

財務學副修

1.2 Major Programme offering the Minor Programme

Bachelor of Business Administration (Honours) Degree Programme

1.3 Department(s) involved in offering the Minor Programme

Department of Accountancy, Economics and Finance

1.4 Philosophy/Rationale of the Minor Programme

The Finance Minor prepares students to be competent financial decision-makers. It provides students with a general understanding of the various management functions and a specific education in major aspects of finance.

1.5 Programme aims, objectives, PILOs, and the alignment of PILOs to the HKBU GAs

Programme Intended Learning Outcomes (PILOs)

Upon completion of the Finance Minor, students will be able to

- (1) have knowledge and training in the finance discipline.
- (2) apply appropriate valuation model for financial decision, sometimes with creative ways.
- (3) form a framework to deal with business issues related to risk and return, in particularly in an ethical way and with consideration of various stakeholders.

Alignment of PILOs to HKBU Graduate Attributes

	HKBU Graduate Attributes*							<i>No. of GAs addressed by this PILO</i>
PILOs	Citizen ship	Knowledge	Learning	Skills	Creativity	Communi- cation	Team work	
PILO1		✓						1
PILO2		✓			✓			2
PILO3	✓	✓					✓	3
<i>No. of PILOs addressing this GA</i>	1	3			1		1	

1.6 Medium of instruction

English

1.7 Target students

Non-BBA students

1.8 Year of implementation

September 2004
